REPORT OF THE SUPERINTENDENT

MARCO C. RODRIGUES, ED.D.

SUPERINTENDENT EVALUATION RUBRIC

Standard I: Indicators A, B, C, E

Standard II: Indicators A, C

Standard III: Indicators B, C

Standard IV: Indicators A, C

I. SPECIAL EDUCATION SUMMER SERVICES

Extended School Year (ESY) services provide an extension of the school year special education services for students who are identified as likely to demonstrate substantial regression in learning skills and/or would have substantial difficulty in relearning skills as indicated through data collection and the IEP team process. This summer the District is providing itinerant services such as tutoring, Speech and Language and Physical Therapy at Mulready and Hubert Center. Students who require substantially separate programs are located at Mulready, Farley, Quinn Middle School and Hudson High School.

Overall, about 54 staff members are providing services to approximately 107 Students with Disabilities. Itinerant services began the week of July 8th while the substantially separate programs began the week of July 1st. The new transportation company, First Student, has worked in a collaborative nature to provide transportation for the students who require transportation for their services as part of their IEP. Tanya O'Connell, Assistant Director of Student Services, and Bryan Hauver, ESY Coordinator, continue to work directly with parents and staff to coordinate the services for each student and to ensure that student support services are being delivered at each site.

II. FIRST STUDENT – NEW BUS COMPANY

The summer transportation for the Extended School Year Program had a strong start with the new First Student, the District's new student transportation provider. Parent and Staff feedback has been positive and the bus drivers have been described as being very caring toward the children. In preparation for the opening of schools, we are working with First Student to create the fall bus routes. The first draft is due to the administration next week for review. Active recruiting is currently taking place for bus drivers and for the Hudson dispatcher. To date, six Hudson drivers from North Reading Transportation have moved to First Student. We expect a full complement of bus drivers to service Hudson when school begins, even if the permanent hires are not in place. The wage rates have been raised and there is new guaranteed in the number of hours for drivers to work per day, which the Regional Manager believes will help to attract more candidates. We have arranged for a "Meet and Greet" event which has been scheduled for August 19th for School and District staff to meet the key First Student staff who will be responsible for day to day operations.

III. SCHOOL HOURS OF OPERATION

District families received a reminder on Friday, July 19th of the adjustments in pupil hours for students attending our elementary and middle schools. Two additional reminders are scheduled to be sent to the families on the week of August 1st and on the week of August 19th.

The following has also been posted on the District’s website:

HUDSON PUBLIC SCHOOLS HOURS OF OPERATION 2019-2020

School Level	Pupil Hours
Elementary	8:35 am – 2:55 pm
Middle	7:47 am – 2:25 pm
High	7:30 am – 2:03 pm

Adjustment to the Elementary Schools Pupil Hours:

The School Committee voted on March 26, 2019 to adjust the start and end times of the three elementary schools in the District. This decision was based on the need to provide adequate time for the school buses to operate between the middle school dismissal and the elementary school dismissals.

Adjustment to the Middle School Pupil Hours:

In response to parents’ and teachers’ feedback, the District administration established a task force to review and revise the schedule at Quinn Middle School. In order to accommodate the majority of the priority areas identified by the parents and teachers, a redesigned schedule has been created for the middle school that includes the first period of the day starting at 7:47 am. Students are expected to arrive at the building between 7:32 am and 7:47 am.

There was no adjustment to the High School pupil hours.

1. Receipt of petition to name the Hudson High School Auditorium to honor former teacher Paul “Skip” Johnson

To The Hudson School Committee -

Shakespeare wrote, "All the world's a stage, and all the men and women merely players." One player in particular, Paul "Skip" Johnson, looms large as an influential and guiding figure; promoting, instilling, and impressing the value of performing arts in both the students that were fortunate enough to work with him, and the greater Hudson community as a whole.

For 32 years, Skip led a generation of k-12 students with a pedagogy that was not relegated to mere instruction. Instead, Skip fostered a wholly inclusive community — introducing the performing arts to students of all skill levels, backgrounds, ages, and interests, and granting them new avenues of purpose and self discovery. He worked tirelessly to make sure each and every student reached their full potential. You could say his teachings went far beyond the confines of basic arts curriculum and into a whole person method of learning. It was with this approach that he reached into the hearts of his students.

To the thousands of students Skip taught and mentored, his value cannot be overstated. He provided real knowledge to youthful, hungry minds that wanted more, turning Hudson High School's auditorium unto a sanctuary during class and after hours. Now, years later, there is hardly a person taught by Skip that wouldn't reflect on him in the most positive of ways. Some would see him as a major influence towards obtaining self-confidence and realization. For others, the prime inspiration in the forging of a lifelong passion. And for many, he was the very role model that not just shaped where they wanted to be professionally, but challenged and encouraged who they ultimately became as individuals.

A vibrant art scene goes hand-in-hand with a vibrant community. Studies have found the exposure to the arts improves test scores, self-efficacy, learning skills, and overall health. The arts create social bonds in communities, and even promotes economic growth and social capital development.

To that end, Skip, along with his wife Lynne Johnson, became leaders within the Hudson community, distinguishing it beginning in 1991, with the Hudson Area Arts Alliance (now the River's Edge Arts Alliance), and its renowned Summer Drama Workshop program. The auditorium they built at the original Hudson High School, both figuratively and in many ways literally (if you count the multiple sets, paintings, and wardrobe building experiences), became the center of their efforts -- bringing forth plays, musicals and concerts to eager audiences young and old. The productions they presented didn't just fill a recreational void, but carved out a culture which has only been amplified by those who once fell under their tutelage.

As time tends to do, Skip's direct contributions have become somewhat of a lingering echo among a new generation and a more modern HHS building. Though he's very much responsible for putting Hudson on the map when it comes to the arts, there are many newcomers to the town who sadly don't know of his name and story. Even more tragic, in recent years, Skip has fallen ill with cancer and is battling every day for his health.

In light of this, and even more so for his unparalleled service during his time as an educator, we the undersigned propose to pay tribute to Skip with the naming of the current Hudson High Auditorium. As Shakespeare also wrote, "Mine honor is my life, both grow in one." Given Skip's undeniable lifelong legacy to the town, such a dedication seems only fitting. We ask the Hudson School Committee to consider this proposal, and kindly request to attend a meeting in which further anecdotes and testimonies of Skip's personal and professional successes can be told directly by those who have gained immeasurably because of them. We appreciate the review, and greatly thank you for the time, thought and attention.

Whether it's concerts with the Moonlighters and the Barbershop, the Senior Musicals, Project B.R.I.G.H.T. or the Hudson Drama Workshop, he has been an inspiration to so many students! And I've been wanting Hudson High's Auditorium to be renamed after Mr. Johnson since 1998 when Studio 33 at CBS Television City was renamed the Bob Barker Studio in celebration of 5,000 episodes of "The Price is Right!" And since we're in the 2000's, why not ALSO rename the Hudson Drama Workshop "21st Century Hawks?" Mr. Johnson, you deserve as big an honor as Mr. Barker got. I truly hope you do before much longer!"

Steven Dermody	Liverpool, US	2019-05-14	"I met Mr. Johnson when I was in kindergarten. He started me on a path to a lifelong love of the arts. Our paths crossed numerous times over the years, most notably to me when I was in high school. He taught me to sing in high school, which led me to be invited to sing with a group of other young Americans in six different countries in Europe. I was able to sing in Notre Dame cathedral on that trip, an experience I never would have had without Skip in my life. I think to only mention the things he did as an educator would do him a disservice. As a man he helped instill tolerance, patience in the face of annoyance, kind discipline, confidence and other virtues in me and countless others. He was a comfort and counselor to me when my parents separated and subsequently divorced. Paul is a man driven by love. He is an example to follow. The world needs more people like him."

			thing he did for his students, I believe, wasn't even arts related. He created a safe space - a community - where EVERY student felt like they belonged, no matter their background or social status. Where every student was encouraged to take risks and discover themselves and their passions in a supportive environment. He boosted confidence and encouraged growth. He created a home within the scary walls of high school for all who needed it, and in turn allowed so many teenagers to thrive. Yes, so many of us went on to careers in the arts, and that's so important. But what he did for us as the whole child, how he saw us and pushed us and encouraged us and grew us, created community where it might never have been, fostered passion in us and gave us ALL (popular, outcast, dorky, weird, "normal") a home? That, in my opinion, is his greatest legacy."

But more importantly, through my work as the Confirmation Coordinator at St Michael parish, I became keenly aware of the positive influence he had on many of our students and of the important role he played in their lives. It seems like bestowing this honor on him should not be a discussion, it should immediately become an "action item". I have fond memories of all he did for our community, and I think of him still each time I attend a production at HHS."

Through participation in the VHS, students acquire the skills needed to succeed in an increasingly technological world. On-line learning through VHS helps students to master course content, as well as develop communication, collaboration, and creative problem solving skills.</p> <p>Participation in VHSSHS courses will require that students be involved in independent and collaborative projects and research. Students will need to be able to plan their work, be responsive to on-line deadlines, and be conscientious in completing assigned tasks.</p> <p>Participation is limited to <u>25 students per semester.</u> Preference is given to seniors and juniors recommended by either teachers or a school counselor. <u>Students must be approved to take a class through VHS by an administrator, and it must be a course that is not offered at Hudson High School.</u> Students participating in VHS courses will take courses in the Virtual High School lab during their scheduled block where their activities can be monitored and where technical help is provided.</p> <p>VHS courses receive the same credit as traditional comparable courses and will be listed on the student transcript similar to the core academic courses, and are included in the calculation of GPA and class rank.</p> <p>VHS courses will follow the levels appropriate for most high schools. Courses are designed for college, honors, AP or standard levels. Progress reports and grades will be included in the regular Hudson High School report card or issued as soon as received from the VHS teacher. When the VHS year ends, students will be required to participate in an internship program until the last day of school for Hudson High School. Farley Elementary School Student Drop-Off and Pick Up by Parent/Guardian

- Student drop off time begins at 8:20 A.M. Please do not drop off any child/children prior to 8:20 A.M., as there will be no adult supervision. Students who walk may not arrive before 8:20AM.
- All buses, morning and afternoon, will use the front entrance of the building.
- For the safety of your children and other children, we insist no child is dropped off in the parking lot area. All students are to be dropped off curbside, in the drop off zone where the teacher on duty can ensure the safety of every student.
- No vehicle is permitted to park along the curb. If you are walking your child/children in for a particular reason, you must park in a parking space and escort your child.
- No parent will be allowed to park between the drop off sign and the orange cones in the morning. This space is designated for continuous traffic flow only.
- Do not pass cars that are stopped and in process of dropping off students. If your child has exited your car you must wait until the car(s) in front of you have started exiting from the drop off zone before you can begin to exit and move forward.
- Cars will enter the access road at Packard Street and proceed one way toward gym.
- Drop-Off will be single lane, one way on the access road. Cars will drop off students near the basketball court. A staff member will direct the drop-off.
- Students **must** stay in cars until directed to exit the car by a staff member.
- Cars will proceed slowly, single line, one way behind the school to exit on Cottage Street.
- Please **yield** to school buses when approaching the exit.
- Students should not be dropped off at Packard Street.

If you regularly pick up your child/children at dismissal, 2:55 P.M., you need to follow the procedures described below:

- You will receive a Parent Pick Up (PPU) form that needs to be completed and returned immediately. All PPU children must have a
 - PPU form on file.
- Once school begins, we will provide you with a laminated paper with the last name, as you would like it to appear. Post this on the passenger window when you pick up your child.
- Parents and/or those persons designated by the parents on the PPU form will drive onto the access road in the back of the school.
- Cars will enter the access road at Packard Street and proceed one way toward the gym.
- Cars may line up on the access road in single line, one way to the end of the gym.
- Do not call to your child to come to the car.
- Students will be released to parents by staff member on duty who will direct the pick-up.
- Cars will proceed slowly, single lane, one-way behind the school to exit on Cottage Street.
- Please **yield** to school buses when approaching the exit.
- Any student remaining after all other cars have departed will go with the teacher on duty to the office. The responsible party will enter the office to pick up their child.
- If someone other than the regular PPU driver, or one listed on your form, is planning to pick up your child/children, you must notify the school office by 12:00 p.m. that same day. The school number is: 978-567-6153 or send in a note on that day with the child

Farley's Whole School "Paw" Reward System

Dear Farley families:

Here at Farley we work hard to promote: Respectful, Responsible, and Ready behaviors. We call these "3 Rs". Students learn these character traits through direct instruction, modeling, and continual practice. Respectful, Responsible, and Ready behaviors are emphasized throughout the school day by all Farley staff. Last year a committee worked on revising how students get recognized for showing these behaviors and exceeding our high expectations. In the past, students received a sticker for behaviors that all staff and student should exhibit no matter what, such as "walking in the hall quietly," "raising their hands to speak," "saying please and thank you," etc. While actions such as these are all positive, we want our students to exceed "every day" expected behaviors.

Similar to last year, students who are witnessed going above and beyond, will be recognized with two Paw print stickers. One will be given to them to keep (and place on their shirt). Staff who see a student wearing a sticker are encouraged to ask why they received the paw print sticker. Parents and families are also encouraged to ask their child why he/she is the proud wearer of a paw print. In addition, the another sticker will be placed on a school-wide sticker chart in the shape of our Farley Fox mascot located in our main office hallway. The school-wide goal is to fill this mascot shape from the bottom. Each day, as students pass, they will see the stickers increase and our exceptional behaviors deeds grow. Every month there will be a whole-school assembly to highlight the stellar attributes of our students.

Yours in education,

Forest Avenue Student/Parent Handbook

2019-2020

A Message from the Forest Avenue Principal

On behalf of the Forest Avenue School Community welcome to the 2019-2020 school year! Each year we embark on a journey of discovery together as a community of learners dedicated to creating an atmosphere of high expectations for our students grounded in the growth mindset belief that an individual's intelligence can be grown or developed with persistence, effort, effective strategies, and a focus on learning. As a school community, we define our vision in terms of teaching our students to make a difference in the world around them so that they become effective, participatory citizens entering the world with a belief in the value of service as well as the ability to pose thoughtful questions. We believe in creating a positive and rigorous environment for both intellectual and social development. Our school culture is one in which all members of our community exemplify fairness, outstanding citizenship, responsibility, empathy, respect, and trustworthiness through the implementation of our positive behavioral support program The Leaves of Citizenship. This reinforces our school's mission to promote innovation and excellence while valuing the whole child as the future steward of the 21st century world.

This handbook contains information that will help make your transition from home to school easier. It will also serve to keep you informed of our policies, expectations, and rules. I believe that you will find it to be a helpful resource throughout the school year. I look forward to a very positive and productive school year with you and your child. Please feel free to contact me if you have any questions or concerns.

Sincerely,

David Champigny

I. Mission

Statement:

The mission of the Forest Avenue Elementary School is to promote innovation and excellence while valuing the whole child as future stewards of our 21st century world.

II. Forest Avenue Leaves of Citizenship:

SUPPORT GOALS

- To challenge students academically.
- To help students become lifelong learners.
- To foster a sense of community pride through our social curriculum. This includes Responsive Classroom strategies and Community Service Learning.
- To teach students to think critically about their connections to their world through their learning.
- To help students understand that acts of kindness are both respectful to themselves and others

Forest Avenue's Positive Behavior Mission Statement:

Our mission is to develop a school wide positive behavior support plan that will create and enhance a culture where all members of our school community, staff, students, parents and visitors, exemplify fairness, outstanding citizenship, responsibility, empathy, show respect and trustworthiness.

FOREST AVENUE PROMISE

In order to promote a caring community, we, the students of Forest Avenue School promise to demonstrate: Fairness, Outstanding Citizenship, Responsibility, Empathy, Respect, and Trustworthiness. Through Courage, Honesty, and Perseverance, we hope to create a school community where everyone feels Safe, Respected, and Included.

We here at Forest Avenue School will effectively teach appropriate behavior to all children. When taught, all children can exhibit appropriate behavior. As a result of this belief, it is our responsibility to identify the contextual setting, events, and environmental conditions that allow all students to demonstrate appropriate behavior. Our commitment is to determine and provide the tools and opportunities to actively teach these pro-social behaviors.

The Positive Behavioral Support Team development committee has developed a positive and proactive code of behavioral expectations. The behavioral expectations are developed from information provided by classroom teachers and other members of the school community. These are the expectations that are posted in many classrooms throughout Forest Avenue School, in some cases stated differently. They are as follows:

Behavioral Expectations

F-Fairness:

Everyone has a place in the school community.
Fair means everyone gets what they need to be successful.

O-Outstanding Citizenship:

I will do my share to make the school community better for everyone.
I will build a good reputation for the school community by working together and cooperating.

R-Responsibility:

I will do what I agree to do and always try my best.
I will think about my actions before I act, and I will be held accountable for the choices I make.

E-Empathy:

I will understand that everyone has their own thoughts, feelings, and attitudes.
I will accept that everyone's thoughts, feelings, and attitudes may be different from mine.

S-Shows Respect:

I will treat others the way I want to be treated.
I will deal peacefully with anger, insults, and disagreements.

T-Trustworthiness:

I will be honest and do what I say I will do.

I will have the courage to stand by my family, friends, and people in the school community.

Along with the establishment of concrete behavioral expectations, we will teach such behaviors across all school community settings. The students are made aware of the different behavioral expectations they are expected to follow in individual settings throughout the school community. These expectations are actively taught as well as being posted throughout the school community.

The Response to Intervention multitier model allows for Forest Avenue community members to differentiate levels of behaviors and design differentiated interventions. All students are held accountable for demonstrating behaviors that are aligned with the school code of appropriate behavior as stated in the student handbook. In order to discourage inappropriate behaviors, students will be directly taught the Levels of Behaviors and the Levels of Consequences. They are as follows:

LEVEL I BEHAVIORS

Level I behaviors are minor rule violations that will result in an immediate verbal correction with a possible consequence. May include but not limited to:

Failure to follow classroom/playground rules	Lack of work completion not due to academic difficulties
Name calling	Intentional classroom disruptions (verbal and physical)
Swearing or obscene gestures	Minor physical contact: pinching, pushing, poking, hugging, tripping
Graffiti (writing on books, walls, and desks)	Taking others' belongings without permission
Destruction of school supplies (pencil, pen, classroom supplies)	Spreading rumors

LEVEL I CONSEQUENCES

Students who engage in Level I behaviors will be asked to identify the inappropriate behavior and describe the appropriate replacement behavior. Students may receive a mild consequence designed to discourage the inappropriate behavior from occurring in the future. Consequences for Level I behaviors may include but are not limited to:

Verbal correction	Apologizing
Loss of privileges	Class meeting
Correction of mistake (cleaning desk, replacing materials, giving items back, complete assignments)	Group mediation

LEVEL II BEHAVIORS

Level II behaviors are more serious in nature. Level II behaviors will result in an immediate verbal correction, a logical consequence, and a written behavior report that is signed by and discussed with the student's teacher and parent.

Cheating	Destruction of school property such as: doors, walls, carving, electronic equipment
Chronic Level I behavior Three or more times	

LEVEL II CONSEQUENCES

Students who engage in Level II behaviors will be asked to identify the inappropriate behavior and describe the appropriate replacement behavior. The teacher and parent will document the incident using a behavior report form that will be signed and discussed. The student will be responsible for returning the form signed within 24 hours. Consequences for Level II behaviors may include but are not limited to:

Apology	Time out
Verbal correction	Behavioral Contract

LEVEL III BEHAVIORS

Serious fighting, harassment, and verbal abuse violate the dignity, wellbeing, and safety of another person. These behaviors will not be tolerated and will result in possible suspension from school. Other Level III behaviors may result in suspension but may also be corrected using a variety of logical consequences.

Chronic Level II Behaviors	Physical Altercations
Intimidation/verbal and physical threats towards peers and adults-Bullying	Inappropriate touching (area covered by a bathing suit) of others
False alarms(fire, bomb, intruder)	Use or possession of a weapon and/or illegal substances
Violation of Behavioral contract	Setting a fire
Stealing	Leaving school grounds without adult supervision

LEVEL III CONSEQUENCES

Students who engage in Level III behaviors will be referred to the principal for immediate corrective action. After consulting with the parents and appropriate school personnel the principal will issue appropriate consequences and facilitate corrective action designed to help the student improve her/his behavior.

In House or Out of School suspension	Police involvement/school officer
Behavioral Contract	Legal consequences
Parental Escort at School	Expulsion

Student Arrival Procedures

Arrival by Bus

Students will be dropped off in front of Forest Avenue Elementary School. A staff member greets each bus and directs the children to enter the building.

Arrival by Car (Student Drop Off)

Drivers will enter from Woodrow Street only and drive through the Woodrow Parking lot towards the back of the school. Drivers will follow along the back of the school and take a right at the far end of the building. Starting at 8:20, students will exit vehicles from the right side of the vehicle only at the Forest Avenue end of the building. Staff members will be there to greet them as they enter the building. Once children have safely exited the car, drivers should take a left and exit the parking onto Forest Avenue.

Arrival By Car (Parent/Guardian Escort)

Parents who wish to escort their child into the building should park their vehicle in the Woodrow Street Lot then walk their student to the main door at the center of the building.

Student Dismissal Procedures

On the first bell at 2:55, all students line up at their bus station. Walkers and pick-ups walk to the cafeteria and line up by the Art room doors to be dismissed to a parent/guardian or to the crosswalk. Drivers will enter from Woodrow Street only and drive through the Woodrow Parking lot towards the back of the school. Drivers will follow along the back of the school and take a right at the far end of the building. Using the number from the placard on the passenger side dashboard, students will be called outside and enter cars on the right side. Once students are safely loaded into cars, drivers may take a left towards Forest Avenue and exit the parking lot at Forest Avenue.

On the second bell, students are dismissed to their bus as it arrives.

If you are picking up a child before 2:55 PM dismissal, please come to the office and your child will be called from class. A note should be sent in notifying the teacher of the early dismissal.

Dear Mulready School Families,

OPEN HOUSE

In September, parents are invited to school for an evening open house. At this event, faculty will conduct grade and classroom- based presentations regarding curriculum and expectations for the school year. Our open house is scheduled for Tuesday, September 17th.

PARENT-TEACHER CONFERENCES

Parent-teacher conferences are scheduled twice each year, in October and April. Reminders are sent out prior to these conferences informing parents of dates and times. However, parents are encouraged not to wait for the regularly scheduled conferences if a problem arises.

Teachers prefer to deal with such instances as soon as possible. Many potential problems can be averted by early action and involvement between parents and the school. Conferences will be scheduled for 15 minute increments. Please be mindful of time and teacher schedules. If you need a translator, please contact the school.

Dates this year are: November 18th and 19th and March 10th and 11th. Evening conferences will be held November 19th and March 11th.

DROP-OFF/PICK-UP PROCEDURES

MORNING ARRIVAL

To assist with a smooth drop off procedure, please do not exit your car. Children should practice exiting the car curbside with their school materials prior to the start of school if possible. If you feel your child cannot exit the car independently, please park in the lot and walk your child to the sidewalk.

Morning arrival – buses and cars, front entrance

- Student drop off time begins at 8:20 A.M. Please do not drop off any child/children prior to 8:20 A.M., as there will be no adult supervision. Students who walk may not arrive before 8:20 A.M.
- **Pull all the way forward** to the Parent Drop Off sign. Do not stop at the front door.
- For the safety of your children and other children, **all children are to exit the car curbside.**
- Parents should remain in the car while the child exits. If your child cannot exit the car independently, park in the lot and walk your child to the sidewalk.
- **Do not pass cars** that are stopped and in process of dropping off students. When your child has exited your car, you must wait until the car(s) in front of you have completed dropping off their children before you exit the drop off area.
- Do not park between the drop off sign and the orange cones in the morning. This space is designated for continuous traffic flow only.
- It is against the law to pass a bus while the lights are flashing and children are boarding or disembarking the bus

AFTERNOON DISMISSAL

IMPORTANT: Unless a parent is volunteering in the school or already in the school for another reason, no parent is allowed to enter the school to meet his/her child(ren). If a child is to be dismissed, all dismissals must take place at or before 2:30 pm. If not, a parent must wait for a child in the pick-up line or outside the school. Parents of walkers cannot park in the school lot. If you come with a car you must be in the pick-up line. Walkers should leave the school and follow the sidewalk next to the school to the exit onto Cox Street.

If you regularly pick up your child/children at dismissal, 2:55 P.M., you need to follow the procedures described below:

- You will receive a Parent Pick Up (PPU) form that needs to be completed and returned immediately. All PPU children must have a PPU form on file.
- Once School begins, we will provide you with a laminated paper with the last name, as you would like it to appear. Post this on the passenger window when you pick up your child.
- Parents and/or those persons designated by the parents on the PPU form will drive to the rear of the school
- Cars will drive in and line up in single file.
- Proceed to the left to exit. Follow the car in front of you - do NOT pass or cut in front of the lead cars.
- Do not call to your child to come to the car.
- Students will be released to parents by staff member on duty who will direct the pick-up.
- Please yield to school buses when approaching the exit.
- Any student remaining after all other cars have departed will go with the teacher on duty to the office. The responsible party will enter the office to pick-up their child.
- If someone other than the regular PPU driver, or one listed on your form, is planning to pick up your child/children, you must notify the school office by **12:00 noon** the same day. The school number is: 978-567-6170 or send in a note on that day with the child.

BICYCLES

- No students have permission to ride their bikes to school unless they have a note on file with the main office.
- Students who bike to school may not arrive before 8:20 a.m.
- A review of the rules of the road pertaining to bicycle safety is conducted by the school each year.
- The children riding their bicycles to school are asked to walk their bicycles on the school grounds to the assigned bicycle parking area and at dismissal from the assigned parking area to the main road
- It is further suggested that a basket or some type of carrier be attached to the child's bicycle to assist in carrying lunch boxes, papers, etc.
- All children are required by Massachusetts law to wear bicycle helmets whenever they are riding their bicycles.
- All bicycles must be locked to one of the school provided bike racks.

VISITING THE SCHOOL

- All visitors and volunteers must sign in at the school office and pick-up a visitor's badge.
- When you sign in, please state the purpose for your visit, your destination and time of arrival and departure.
- Upon your departure, you will need to sign out.
- If you would like to meet with your child's teacher please call in advance to make an appointment.
- All doors will be locked while school is in session.

CORI FORMS

We welcome parent and guardian volunteers to help out with school events however to do so you must complete a CORI (criminal record check) form. These forms can be completed at the schools and can take up to three weeks to process, please plan accordingly. Please see the school secretary for more information.

SCHOOL ATTENDANCE

Students are expected to **attend school daily and arrive on time**. Non-medically documented absences or tardies are not to exceed **14** days. Absences or tardies exceeding this amount are subject to possible interventions by the school. The Massachusetts law regarding school attendance Regulation of School Attendance states: "Every Child between the minimum and maximum ages established for school attendance by the board of education ...shall...attend a public school in said town...during the number of days required by the board of education in each school year. The superintendent, or teachers in so far as authorized by him or by the school committee, may excuse necessary absence for other causes not exceeding seven day sessions in any period of six months."

ABSENCES

Please use the "**Call-Back**" system to notify the school if your child is absent. The purpose of the call back system is to ensure that your child has arrived safely to school. When you call the school to report an absence, please follow the prompts to record your message and include the medical reason for absence if applicable. If possible, please phone the school prior to 30 minutes before the start of the school day. If your child is going to be absent for more than one day, you may either let us know in advance or call each day. In addition to calling, you will need to send in a note indicating the dates and reason for the absence. Parents/guardians are requested to contact the school nurse for absences exceeding two days. A child will be marked absent for the day if s/he arrives at or after 11:45 am.

MISSING CHILD NOTIFICATION

We want to do everything we can to support the safety of your child as they arrive to school. To help us with this effort the school district has established a standard practice in the event that a student does not show up to school and there is no advance notice by a parent. We will follow the steps below:

- Call the home to verify absence.
- If no parent/caregiver or person of authority is reached, we will call other emergency contacts to verify absence or establish a contact with the parent/caregiver.
- If legitimate absence cannot be established, the child should be presumed missing and the police will be contacted.
- We will follow up with the police until the parents/caregiver is reached.
- It is our hope that this process will better ensure the safety and well being of our students.

TARDINESS

School begins at 8:30a.m. **If you drop your child off after the start of school, you are required to escort and sign your child into school.** Excessive tardiness is detrimental to the education of the attending child as well as disruptive to his/her classmates and the classroom teacher. Students who accumulate excessive unexcused tardies will have a notice sent home to their guardian. If a student accrues 10 unexcused tardies, the child's guardian will be required to attend a meeting with the principal or their designee.

EARLY DISMISSAL

Occasionally, because of an appointment, a student must be dismissed before the usual dismissal time. A written request for early dismissal should be turned into the office in the morning. If this is not possible, a phone call at least an hour prior to the end of school will suffice and the pupil will be notified of his early dismissal. Verbal messages from the child are not acceptable. Anyone picking up a student must come into the school to be identified by the student and sign the student out.

DRESS CODE GUIDELINES – ELEMENTARY SCHOOLS

Parents and students are expected to exercise good judgment regarding school dress attire. Student attire should not be destructive to school property, comply with requirements for health and safety, and it should not cause disorder or disruption. Some examples are:

- Clothing bearing offensive themes or that advertises merchandise not suitable for minors
- See-through or transparent clothing
- Visible undergarments

Students should also wear appropriate footwear that is conducive to the scheduled activities. Sneakers must be worn in order to participate in physical education. Due to safety concerns, flip-flops and slides may not be worn; all shoes must have a band or back to hold a shoe or sandal in place.

FIELD TRIPS

Teachers are encouraged to partake of the opportunity to take the students on field trips. A parental permission slip is required for each child participating in the trip. Students' safety will be a primary consideration, with first aid kits required on all field trips. A school nurse may accompany students with special health care needs with treatments that cannot be provided by classroom teachers. One or more adults, in addition to the teacher, must accompany each group of thirty or less on any trip unless otherwise approved by the principal. Children need to be academically and behaviorally eligible in order to participate in a field trip, and must behave in accordance with the behavior guidelines of the school while on a field trip. No child shall be denied participation because of lack of economic means.

SCHOOL SAFETY DRILLS

In order to promote a safe school environment, fire and secure building safety drills are conducted throughout the year. Practice drills are both announced and unannounced. If you have concerns as to how your child may respond to such drills, please contact the administration.

AFTERSCHOOL DETENTION

As a consequence for disregard of classroom or school behavioral guidelines, as well as, for missed work, an after school detention may be issued by the teacher or administration. If a detention is issued, parents/guardians will receive notification to plan accordingly and will be responsible for transportation home. Detention generally runs from 3:00-3:30pm

ELECTRONIC DEVICE AND CELL PHONE POLICY

Many of our students have begun carrying cell phones. We understand they are an important means of communication. However, the distraction caused by these phones is increasingly becoming a concern at school. Emergency phone calls can always be made in the front office. Therefore, cell phones are not needed during school hours. If parents need to contact their child, they should call the school office. The office staff is excellent at relaying urgent messages from parents to students. If you receive a call from your child during the school day, please call the school office immediately so that we may assist them.

The regulations of electronic devices (cell phones, mp3 players, radios, iPods, handheld video games, etc.) are as follows:

- Cell phones and electronic devices must be kept out of sight in the students' pockets or backpacks at all times during the school day.
 - **This includes the bus rides to and from school, as well as recess.**
- Cell phones and electronic devices must be turned off at all times. Students will be considered using a cell phone if the phone rings, vibrates, or the student is looking at or touching it.

Consequences for violation of the regulations regarding the possession and usage of electronic devices include:

- First offense: The electronic device will be confiscated and must be picked up by the parent.
- Second offense: The electronic device will be confiscated and must be picked up by the parent. The student will receive a detention.
- Third offense: The electronic device will be confiscated and must be picked up by the parent. The student will receive a detention.

The privilege to carry a cell phone may be revoked at the discretion of the principal.

We realize that having to pick up a student's cell phone may be inconvenient, and therefore we encourage you to discuss this policy with your child in order to avoid this problem. We also ask you to keep in mind that the use of a cell phone/electronic device is disruptive to the school environment.

BULLYING

Bullying is a serious and hurtful situation that will not be tolerated in our schools. Bullying occurs when more than one time, a student (or students) says, writes or uses physical acts or gestures that are hurtful and target another student. Bullying occurs when

- words, acts, gestures in any combination cause physical or emotional harm to the targeted student or that student's property.
- the targeted student has reason to be afraid of harm to him/herself or of damage to his/her property.
- the repeated behaviors create a hostile environment in school for the targeted student, or when that student's rights are violated.
- the repeated acts disrupt learning and the regular school day in a major way.

Bullying includes cyber-bullying, which is bullying through the use of technology or any electronic communication (for example, emails mobile phone texting and social network pages.).

LIBRARY INFORMATION

While school librarians can offer selection guidance to the students, he or she will not prevent a student from checking out a particular book due to age or reading level. This follows the ALA's *Access to Resources and Services in the School Library* which states that school librarians should **avoid "imposing age, grade-level, or reading-level restrictions on the use of resources"** as well as **avoid "requiring permission from parents or teachers" to check out certain materials.**

In an effort to maintain our school library's collection, we ask that families pay the replacement cost for any **lost** or **damaged** library books. Despite a student's best intentions to keep a library book clean and in a safe place, accidents still happen. After sending in the replacement cost, the librarian will purchase a new copy or similar title for the school library. It is important to note that the library cannot accept just any used children's book to replace the lost library item. The library books have been selected to support the school curriculum and the current needs of the school library. They are also often purchased with hardcovers or special library bindings to make them last longer. You can contact the librarian if you have questions.

MULREADY CARES PROGRAM

The Mulready CARES Program is our positive behavior support program. When children demonstrate the various characteristics (Cooperation, Achievement, Responsibility, Effort, and Safety) they receive a ray. Each month, children from each grade level are randomly chosen from the rays to have lunch with the principal. If a child violates this code of conduct or other school-wide expectations, there are consequences based on the level of the violation.

Mulready CARES Mission Statement:

Our Mission is to develop a school wide positive behavior support plan that will create and enhance a culture where all members of our school community (staff, students, parents, and visitors) exemplify cooperation, achievement, responsibility, effort, and safety.

Mulready Promise:

In order to promote a caring community, we, the students of the Mulready School, promise to demonstrate: Cooperation, Achievement, Responsibility, Effort, and Safety.

C- Cooperation:
