FREE AND REDUCED PRICE FOOD SERVICES

The school district will take part in the National School Lunch Program and other food programs that may become available to assure that all children in the schools receive proper nourishment.

In accordance with guidelines for participation in these programs, and in accordance with the wishes of the Committee, no child will be denied a breakfast or lunch simply because proper application has not been received from their parents or guardians.

As required by state and federal regulations, the School Committee approves this policy statement pertaining to eligibility for, free meals, and reduced price meals.
