

Hudson Superintendent Search Focus Group Schedule January 2023

Hudson Public Schools has engaged the New England School Development Council (NESDEC) to assist them in the search process for a new Superintendent of Schools.

An integral part of the process involves community participation in focus groups. The groups, will conducted both in-person and via internet videoconference, are designed to obtain participant input about the attributes, experiences, and desired goals for a new superintendent.

The focus group sessions for community members will be held in-person on Wednesday, January 18th and virtually Thursday, January 19th. Each session will last approximately one hour.

PLEASE NOTE: Seats for these virtual focus groups are limited and will be filled on a "first come/first served" basis.

Community members who would prefer to provide input via an online survey are invited to visit the following link: <https://www.surveymonkey.com/r/MPBQZBD>.

Questions/comments regarding the virtual focus group process may be sent to nesdec@nesdec.org.

Hudson Public Schools wants and values your opinions. We hope you will take advantage of these opportunities to participate.
