

Please note the updated instructions below for public participation

Pursuant Governor Baker's June 16, 2021 signing of "An Act Relative to Extending Certain COVID-19 Measures Adopted During the State of Emergency" into law extending remote open meeting measures under the "Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, § 20," has been extended by Governor Healey until March 31, 2025. The **Hudson School Committee sessions will continue to be conducted via in-person and remote participation. Committee members will participate in person and/or using the online Google Meet platform**, and the proceedings will still be broadcast live on the Public Cable Access Channel – Comcast Channel 8, Verizon Channel 47 and Hud TV's and livestream <https://vimeo.com/showcase/9964109>

For the public participation item on the agenda, the following process will be used:

- **Persons wishing to make public comment remotely** will send an email to the School Committee's email address hps_schoolcommittee@hudson.k12.ma.us indicating that they would like to make a public comment at the School Committee meeting. This email must be received by 3:00 pm on the day of the meeting.
- The School Committee will submit the list of names and emails wishing to make public comment to HUD TV no later than 5:00 p.m. the day of the meeting.
- Hud TV will send a meeting invite to those community members on the School Committee list for Public Comment.
- Hud TV will accept them into the Google Meet and mute their microphone.
- When the School Committee Chair recognizes someone wishing to make public comment, Hud TV will unmute that person's microphone and they will have two minutes to speak.
- When public comment is finished their microphone will be muted again by Hud TV.
- **For persons wishing to make public comment in-person**, the School Committee meeting is held at Hudson High School, Room F101.

Reports and Presentations Report of the Superintendent

Memorandum

Hudson Public Schools

Office of the Superintendent of Schools

TO: Hudson School Committee
FROM: Brian K. Reagan, Ed.D., Superintendent of Schools
DATE: August 22, 2023
RE: Report of the Superintendent

I am pleased to provide information on the items below under the Report of the Superintendent for the regular School Committee meeting on August 22, 2023.

Leadership Institute

The District's ELEVATE team participated in a 3-day Leadership Institute at the New England Botanic Garden at Tower Hill in Boylston last week from August 14-16. In addition to spending time enjoying the beautiful landscape and getting to know one another through a series of team-building activities, the group focused on developing action steps for the 2023-2024 District Improvement Plan (DIP). This year's action steps were developed in conjunction with recommendations found in both the *Equity Audit* and the *Comprehensive District Review*. The 2023-2024 DIP carries forward the four strategic objectives from the previous year:

1. **High Quality Instructional Practices:** Build capacity at all District levels to ensure that every educator and administrator are utilizing high-leverage practices to support outstanding teaching and learning experiences for ALL students, every day.
2. **Educating the Whole Child:** Provide rigorous, inclusive learning experiences that integrate academics with social emotional learning so that ALL students are successful in all areas.
3. **Innovative Educational Practices:** Ensure that ALL students are exposed to and engaged in innovative and challenging academic courses and programs.

4. **Climate and Culture:** Develop a culture and community that promotes equity, eliminates opportunity gaps, and empowers students and adults to build strong relationships, psychological safety, and mutual accountability

The three-day agenda was largely planned by Dr. Provost and included the theme “Around the World and Back Again” which was woven into the team-building activities.

This event not only provided me with an opportunity to become more familiar with the ELEVATE group, but to also gain a deeper understanding of the District’s strategic objectives and priorities. I look forward to sharing the 2023-2024 DIP with the School Committee this fall.

Summer Acceleration Academy

The District is hosting a Summer Acceleration Academy (SAA) from August 21-25 from 8am to 2pm at Mulready Elementary. The full cost of the SAA, \$72,890, was funded through a competitive DESE grant. Similar to last year, the SAA is supporting English Learners in grades K through 4 who will benefit from a jumpstart to the school year. These students will continue to master their English language skills and get back into the literacy and math routines they will encounter at the beginning of the school year. Invitations were sent to over 200 families over the summer and we received 77 requests to participate. Thanks to the generosity of the grant and the ability for us to hire adequate staff, all 77 students are participating. The SAA is staffed by ten classroom teachers, two EL certified teachers, two related arts teachers, one nurse, two paraprofessionals, and two instructional coordinators. Students in kindergarten through grade 2 are focusing on early literacy and students in grades 3 and 4 are focusing on mathematics. Supplemental instructional and intervention materials purchased through the grant for the SAA will be used during the regular school year as well. Grant funding also allows us to partner with Chartwells to provide breakfast and lunch for students each day of the SAA. A special thank you to the team at Mulready, especially the custodial staff for their support.

New Educator Orientation

An orientation for new Hudson Public Schools educators was held on August 21 and 22. I was able to welcome new staff at the start of the program and speak to them about the strengths and priorities of the District. The agenda included sessions covering the following:

→ Monday

- ◆ ID photographs
- ◆ An overview of Human Resources (Jenn Allard and Emily Osborne)
- ◆ District technology information (Ellen Schuck)

- ◆ Teaching and Learning in Hudson and Educator Evaluation (Kathy Provost)
- ◆ Information from Lead Mentors (Danielle Wood & Gretchen Houseman)
- Tuesday
 - ◆ Special Education Services and Expectations (Cathy Kilcoyne)
 - ◆ Equity Audit Findings, Climate and Culture, SEL, DEI (Cathy Kilcoyne and Kathy Provost)
 - ◆ Meetings with Curriculum Directors
 - ◆ Presentations from HEA and HPA Leadership
 - ◆ School-based meetings with Principals and Assistant Principals

Read and Roll

This summer, the District facilitated six Read and Roll events across town. Each Wednesday from July 12 through August 16, mystery readers from the community and the School Department read books in English, Spanish, and Portuguese. The first 20 children to arrive each week received a copy of one of the books read aloud in the language of their choice. I had the pleasure of reading *Don't Touch My Hair!* by Sharee Miller on August 2. Read and Roll was held outdoors at various locations including the Public Library, the Apsley Street School Administration Building, Cellucci Park, and Wood Park. The program was facilitated by Fabiana Hummel and Wendy Anderson and was made possible by grant funding.

School Readiness

Hiring Update

As we prepare for the opening of school next week, the District finds itself in a relatively strong position specific to personnel. There are 3 vacancies within the instructional core, which we are in the process of filling. We are currently facilitating the search for a new Secondary Coordinator of Special Education after receiving an August resignation. Our most critical need continues to be for paraprofessionals and ABA (Applied Behavior Analysis) therapists. After several months posting for these positions with very few applicants, we are sharing the posts with community partners, including local churches to try and reach parents and other caregivers who may be seeking an employment opportunity compatible with the school hours of their children. We are also seeking candidates through staffing agencies for some of these vacancies to ensure that students will have the personnel they need in place when school opens.

Physical Plant

I have visited our buildings this week with Scott Kurposka and I am pleased to report that all of our facilities are on schedule to open clean and operational. As always, the custodial and maintenance staff have worked hard to ensure that our facilities are ready. These individuals take great pride in their work and it shows when you visit buildings. Summer cleaning requires

the team to work around extended school year programming and other programs utilizing school buildings during July and August. Regardless of the complexities of the summer schedule, each building will be ready for staff to report on Monday and students on Wednesday. We also made progress this summer on an update to the security camera system. These updates impact all buildings with added cameras and coverage. The camera project is ongoing and will continue into the fall.
